Sir:

In reviewing the Notice of Allowance and Fee(s) Due, applicants note an error in the title and the Attorney Docket Number. The title is "Use of Cortisol Antagonists in the Treatment for Heart Failure," not "The Use of Cortisol Antagonists in the Treatment for Heat Failure," and the Attorney Docket Number should read "A34894-PCT-USA," not "ET 544 763 265 US."

A request to correct the filing receipt was submitted on October 10, 2002, a copy of which is attached as Exhibit 1. The return receipt postcard is stamped October 15, 2002, a copy of which is attached as Exhibit 2. A correction of the city of residence for the second

inventors was also made in the request mailed October 10, 2002. The residence for the second named inventor Sten Sorensen is "Falsterbo," not "Falstebo".

Applicants request correction of these errors in all Patent and Trademark Office records. In particular, please publish the patent with the correct title and inventor city of residence on the front page of the patent.

Applicants believe that If any fee is required, or if any overpayment has been made, the Commissioner is hereby authorized to charge any fees, or credit or any overpayments made, to Deposit Account 02-4377. A duplicate copy of this page is enclosed.
